Exactly. Usually when they ask me, "What's the biggest lie?" I put the hand in front of me leaning tilting it's on the right. I mean, you speak of the way they present history as intellectually settled. And what I want to say is that the general theme of American history is that we have started great and since then we have improved automatically. So I thought of me and me: Å «My God, what should you believe that the only time your group was at the center of American history, have made a mess?" So you decided to write the Your textbook, right? These were the white supremacist democrats Å «In fact, it was the original Ku Klux Klan. Activate and hold the button to confirm that you are human. Winner of the American Book Award 1996 and of the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship The Americans have lost contact with their history, and in this stimulating book, Professor James Loewen explains why. Secondly, the governments of the reconstruction did not make Casini. My first full -time teacher job was in a black college, Toualoo College in Mississippi. Throughout the South without exception they built the best state constitutions that the southern states have ever had. The assistant attorney general for the condition of Mississippi asked because he had voted against our book. It is both a refreshing antidote to it that has passed through history in our educational system, and of an educational education in the © å ». Å «Howard Zinnuna new edition of the national bestseller and winner of the American Book Award, with a new preface of his first publication in 1995, Lies My Teacher Told me became one of the most important" and successful "books" of history of our time. A third lie would be that whites did not take control. Loewen and his co-authors sued the Council in court.] The cause had a moment to the "Perry Masonà", only your biggest listeners will understand what it is. You can to the original inspiration for the book? And, ironically, almost nobody still does it today. What does it come to your period from that period? "And what happened to me was an AHA experience, even if you could Consider an OH-NO experience. 16 of my 17 students said, "Well, the reconstruction was the period immediately after the civil war in which blacks took on the government of the southern states. Loewen makes the story alive in All its complexity and ambiguities, I feel that there is a tension in what you are saying because we want to discuss and understand where there is a real uncertainty in history, but how students discriminate between the various sources of information Especially in the Internet era and thousands of pages on any topic. And then the other part in this regard are the huge textbooks. Now how have they arrived à € à € -here? Now, our textbook in That moment was the only textbook in America that included a photo of a lynching. I want to say, there is at least three direct lies in that sentence. It turns out that they could have. The turnip is on the counter La Bianca Dy Teachers , would have difficulty controlling their lessons with material like quo Esto in the book. "Wow. Despite the high assessments of the auditors, the commission for the purchase of Mississippi state textbooks rejected the book on the basis of the fact that it was raid inflammatory. The judge - who was a [more old] Mississippiano white, but A man of honor - he took control of the questions, and said: "But it happened, it didn't happen? It is so boring! If you think about it, the first thing that happened in terms of American history is that people have come to the earth that we now know as the United States. And it is what has done to me so interested in American history as a weapon. Mississippi has no more lynching of anything else other state? "And the turnip said, and again I quote:" Well, yes, but everything happened so long ago. Everyone except one had a white legislative majority. This would have made them think as a historian since the beginning of a history course in the United States. First of all, it's not always true. True.
